

Guideline for Search – Material Safety Data Sheet

Below is the search guidance for finding specific material safety data sheets for Loctite 3d printing products. Please follow the instructions below:

Step1: Go to www.LoctiteAM.com and click on the **'Safety Data Sheets'**

Step 2: You will now arrive on the general repository of Safety Data Sheets from Henkel. Click on **'Adhesive Technologies'**

Step 3: Enter the product name/number you are looking for, language and your country. Please add an Asterix before the product name as depicted below. (Note: The United Kingdom is under Great Britain.)

Product Name: ⊗

Language: × ▼

Country: × ▼

⚙️ Setup Search Fields 🗑️ Clear 💾 Save as Default 🔍 Search

Step 4: Click **Search** and the document listings will appear underneath. Click on the PDF icon on the left hand side to open the document/download.
